Students' Feedback Report (2023-24)

The present report depicts a comprehensive analysis of the student's feedback manually collected factually on printed sheets from the students of Deva Nagri College. The feedback presents the student's perception about the various issues as mentioned below:

I. Teaching and Learning Facilities

First six responses show the analysis of teaching and learning facilities available in the college. A majority i.e., nearly 92 percent students reported the coverage of syllabus around 70-100 percent. Again, 92 percent students are of the view that teachers come prepared in the classroom and active to communicate as "Outstanding" or "Excellent". 84 percent students answered that the teachers illustrate concepts through examples, case studies and applications. As much as 94 percent students say that teachers discuss with them about their progress during interaction with them. 94 percent students have the "Always Fair" or "Usually Fair" view about internal evaluation process by the teachers. 87 percent students think that they are properly heard and their performance is positively discussed at length.

II. Support and Welfare Facilities

Next four pie charts show the perception about support and welfare facilities available in the college. 90 percent students are "significantly" and "very well" recognize increase in their cognitive, social and emotional growth. 87 percent students are of the view that teachers identify their strengths properly and help them to take challenges. 87 percent students are benefited by the efforts made for extra curricular activities and skill development activities. By hearing grievances and redressing them, 92 percent students feel satisfaction.

III. Infrastructural and Other College Facilities

Other next four pie charts help to understand the student's perception while using infrastructural and other college facilities. Students observe that 81 percent of the teachers use ICT tools during class room teaching and problem solving. 88 percent of students are satisfied with library space and facilities. Again, 88 percent of students perceive that the quality and quantity of various instruments, solutions, apparatuses and computers are adequate. 90 percent of the students rate other college facilities as "Excellent" or "Good".

IV. College Social Responsibility Initiatives

91 percent of students respond that college helped them to inculcate social awareness and environmentally responsible behaviour. Again, 91 percent students replied that moral, ethical and social values are taught them.

Overall summary:

- Facilities like the Library, Classrooms, Seminar Rooms, and Security Services received strong positive ratings.
- Canteen and Vehicle Parking Facilities emerged as areas requiring significant improvement.
- Common Infrastructure and Sports Facilities received mixed feedback, indicating scope for enhancement.
- While the majority of students (around 87%) either agree or strongly agree with the institution's efforts to engage them, a substantial group (around 13%) remains neutral.

This feedback highlights both strengths and areas for improvement in college facilities, helping prioritize necessary interventions to enhance student satisfaction.

Parents' Feedback Report (2023-24)

The present report makes a comprehensive analysis of the Parent's feedback manually collected factually on printed sheets from the Parents of existing students of Deva Nagri College. The feedback presents the perception of Parents about the various issues as mentioned below:

I. Teaching and Learning Facilities

First four responses show the analysis of teaching and learning facilities available in the college. A majority i.e., nearly 83 percent parents reported that they are satisfy with the learning process of their ward. 71 percent parents said that examples and application techniques are used in classroom. 67 percent parents asserted that the review of progress of their ward is made often by teachers. As much as 63 percent parents say that internal evaluation and assignment evaluation are fair and transparent while 31 percent parents did not show any concern.

II. Support and Welfare Facilities

Next four pie charts show the perception about support and welfare facilities available in the college. 65 percent parents ensure the overall growth of their ward while 31 percent showed neutrality. 66 percent parents are of the view that teachers identify the strengths of their ward properly and help them to take challenges while 24 percent parents reported no comment. 58 percent parents are benefited by the efforts made for extracurricular activities and skill development activities while 32 percent parents have no knowledge about this. By hearing grievances and redressing them, 65 percent parents feel satisfaction and 31 percent parents encountered no such issue.

III. Infrastructural and Other College Facilities

Other next two pie charts help to understand the parent's perception while using infrastructural and other college facilities. Parents observe that 60 percent of the teachers use ICT tools during class room teaching and delivery of content while 23 percent parents want to say nothing about this issue. It may possible that they do not discuss college and other issues with their wards. 88 percent of students are satisfied with library space and facilities. Again, 67 percent of parents percept that the other facilities are adequate and satisfactory and 25 percent parents remained neutral.

IV. College Social Responsibility Initiatives

80 percent of parents are happy to report that their ward has become social aware and environment responsible. 83 percent Parents replied that their ward became aware about moral, ethical and social values.

Teachers Feedback Report 2023-24

To improve the quality of teaching and learning process, feedback is collected from all the stake holders. Teachers are very important stake holders, so their feedback and suggestions are very helpful in improvement of the college. The feedback is received from teachers on four-point rating scale 1-4 i.e., 1. Strongly Agree 2. Agree 3. Disagree and 4. Strongly Disagree. There were ten closed ended questions in the feedback questionnaire.

Sl..N.	Questions	1	2	3	4
1.	The syllabus taught by me is good blend of theory and practical	33	14	3	0
2.	College has given me full freedom to adopt new techniques in teaching	29	18	3	0
3.	Examination are fairly conducted well in time	23	25	2	0
4.	The prescribed books are available in library in sufficient number	18	26	6	0
5.	Environment in the college is conducive to teaching and research process	18	28	4	0
6.	The college provides adequate opportunity to faculty members for upgrading their knowledge and skills	14	32	4	0
7.	The student's engagement in the classrooms is satisfactory	14	32	4	0
8.	The infrastructure of college is adequate	14	34	2	0
9.	The grievances of the teachers are redressed well in time	16	31	3	0
10.	The college is fair and non-discriminatory for teacher's issues	20	28	2	0

Question ranging from syllabus to fairness of the college administration has been asked. The teachers recorded that syllabus taught by them is good blend of theory and practical and they were satisfied with liberty given by college to adopt new techniques in teaching, learning and research. Need of the improvement of the library has been highlighted by them. They recorded that the environment in the college is conducive to teaching research

Action Taken Report

of

Students Satisfaction Survey, Parents and Teacher Feedback

Session- 2023-24

Internal Quality Assurance Cell of the college, as per the NAAC guidelines collected feedback from different stakeholders and submitted the reports of students' satisfaction survey along with parents and teachers feedbacks reports. The reports were reviewed and submitted to the Principal for further action. The Principal forwarded reports to management committee for further action. Management committee reviewed the reports and resolved to improve the college as per the suggestions made in the reports.

I. Management committee approved the students' satisfaction report and recorded its appreciation on the highest level of satisfaction among the students. Committee took on record of the suggestions recommended by IQAC regarding the highlighted areas like improvement in canteen and parking facilities of the college campus. Common infrastructure and sports facilities need enhancements. However, ICT facilities are satisfactory but, the committee expressed its concern to modernize ICT in the college. It is assured that ICT facility will be enhanced in upcoming sessions to facilitate the students.

II. Management committee approved the parents' feedback report and was satisfied that the college has good reputation among parents/guardians. The committee noted the suggestions regarding the improvement in security cameras, washrooms and canteen facility. It instructed principal to take adequate measures to improve the e-delivery of content to the students.

III. Management committee approved the teachers' feedback report and instructed principal to make new purchase of books for library and also instructed to provide better facility of training to teaching and non-teaching to achieve maximum satisfaction among students.

Principal

D.N. College, Meerut
